RP4K summer 2009 policies:

Please go over these policies with your child.

1. **Please ensure your child has a USB flash memory stick to bring to class. Students take their projects home on these devices, so they are critical.**
2. Please note that we are unable to properly supervise students who are not in a class. Therefore we ask parents drop off and pick up their children as close to designated class times as possible.
3. **Please try hard to be on time.** (This really makes the class better for all the students.)
4. Unlike our school season weekly program, we can not offer make up classes for missed days during our summer camps.
5. Computers are for appropriate student class work only.
6. Please use the designated areas while waiting for your child. Should you need instructions on where these areas are, please speak with the supervisor at your location.
7. We are fortunate to have access to the excellent computer labs at our host private schools. No food or drinks are to be consumed near the computers or other multi-media equipment.
8. Our students (& parents) are on their best behavior almost all the time, however should your child cause unnecessary disruptions during a class, we will call home to notify the parent.
9. No foul language, intimidation of other students, or abuse of the host computer labs will be tolerated.
10. Access to the Internet is strictly monitored. RP4K reserves the right to restrict or limit students using the internet during class.
11. Real Programming 4 Kids reserves the right to remove a student from a course for unacceptable behavior without refund. Historically this has occurred to less than 1% of our student population.

12. Refund Policy:

- a. In the event of a student withdrawal, parents must notify Real Programming 4 Kids in advance.
- b. **Deposits** are non-refundable after May 1, 2009
- c. The **Balance** is non-refundable after June 12, 2009
- d. **Our Guarantee:** Student withdrawal is extremely rare. If after trying out the first two classes you wish to withdraw, a full refund will be provided if withdrawn before the third class.

I have read and agree to the above summer 2009 RP4K policies:
